The above trademarked labels are to be used only with the DRI America Web-Based Software Tools, and may not be copied, reproduced or distributed by others without express permission of Desiccant Rotors International.

Note: The AHRI Certification label is used under permission, and may not be copied, reproduced or distributed by others without express permission by AHRI.

LICENSE:

The DRI America Web-based Software Tools herein referred to as "the Software" shall be taken to mean the software and database contained, hosted, supported by, run on the DRI America website server addressed by <http://www.mydriamerica.com> and <http://www.driamerica.com>, to include any documentation or subsequent versions or upgrades added to the website address(es). The single person granted access to the Software is herein referred to as the "licensee" and shall be taken as the original, single authorized, registered user and assigned exclusive non-shared access credentials. Licensee has the non-exclusive right to use the Software only from the hosted website server. Licensee may not electronically transfer the Software from its hosted location to another hosting server or computer over any type of network. Licensee may not distribute copies, provide access or share their access credentials to the Software or any accompanying documentation to/with others either for a fee or without charge. Licensee may not attempt to gain access to the Software to modify or translate the Software or its documentation. Licensee may not engage in an effort to disassemble or reverse engineer the Software or allow it to be disassembled into its underlying source code. Licensee's use of the Software indicates his/her acceptance of these terms and conditions. If Licensee does not agree to these conditions, they will not be given access credentials and may be denied access to the software via location aware blocking programs.

This License agreement shall be governed by the laws of the United States of America and the State of Delaware and shall inure to the benefit of Desiccant Rotors International, Inc., its' successors or assigns.

DISCLAIMER / LIMITATION OF LIABILITY:

Licensee acknowledges that the Software may not be free from defects and may not satisfy all of Licensee's needs. The Software and any accompanying written materials are licensed "as is". In no event will Desiccant Rotors International, Inc. be liable for direct, indirect, incidental or consequential damage or damages resulting from loss of use, or loss of anticipated profits resulting from any defect in the software, even if it has been advised of the possibility of such damage.
